“It's not over till it's over. And even when
it's over, it just **begins again.**”

— Kate McGahan

VANSH[®]
INDUSTRIES

“After decades of continuous hard work, series of upgrades in technology, dedicated R&D activities, we have been able to develop a state of the art infrastructure for manufacturing high quality products. The work culture and the business ethics followed by our team are based on the single guiding principle of “Customer Satisfaction”. We not only produce one of the best engineered products in the world but also exceed the satisfaction level of our customers.”

---Vikas Rungta
Managing Director
